

BARNET-ZERO-

HELP BUILD A SUSTAINABLE FUTURE FOR BARNET

Join action in your community to tackle climate change together
Wednesday 17 January 2024
6:30pm – 9pm

**The Rickett Quadrangle, Middlesex University,
The Burroughs, London NW4 4BT**

Join us at a special event to kick start our partnership with residents and communities to drive positive action on climate change in Barnet.

Following our recent Citizens' and Young People's Assemblies on Climate Change and Biodiversity, we are coming together to ensure that our journey to net zero follows a path set by our communities, not the Council alone. This event will include community organising training, networking and support from Barnet Council, TPXimpact and Citizens UK.

Please share this invitation with others in your community who want to be part of building a sustainable future for Barnet.

More details and sign up to attend here:
